

LED CORD HUNG PENDANTS

MKT-0010, REV B

With their casual style and timeless appearance, cord hung lights are favorites in nearly every home or business. By providing additional touches of style and personality, the cords often dictate the fixture's overall style. Colorful cords offer a sense of playfulness while others appear subtler and more subdued. Certain cords receive a rating for “damp” locations — meaning they can be exposed to moisture in the air but not direct contact with water. Other cords are limited to interior spaces. Cord hung pendants include 7' of standard cord or 5' of cotton cord, +/- for socket orientation.
