

DESCRIPTION

Enjoy candlelight without the risk of open flames or the mess of melting wax with these rechargeable LED taper candles.

FEATURES

- Designed for indoor use
- 3D silicone flame tip offers a more realistic, lifelike look; provides a steady light with gentle twinkle
- Candlestick is made of wax for a more realistic look
- Recharges with USB cord (included) for convenience and portability
- Charging port is located in the plastic base on the bottom of the candle; indicator light in base turns red when charging & green when fully charged
- LED flame tip can be set to twinkle or steady on with included remote control or with ON/OFF button on bottom of the candle; see Remote Control and ON/OFF Button Settings sections for more information
- Built-in timer feature helps extend battery life. Candles can be set to 6, 8, or 12 hours on using the remote control; see Remote Control section for more information

CERTIFICATIONS

- Indoor Only

ELECTRICAL

- Plug Type: USB Type C
- Recharge Time: 3 Hours
- Battery Type: 14500 Rechargeable Li-ion Cell
- Battery Capacity: 1000mAh 3.7Wh
- Bulb Type: LED
- Remote Batteries: Button Cell CR-2025 (included)

CONSTRUCTION

- Candlestick made from wax
