

BARN LIGHT
ELECTRIC COMPANY®

Warranty

All Barn Light Electric lighting is warranted by the manufacturer for up to one year (Driver and LED components are warranted for up to five years) to be free of defects in materials and workmanship under normal use and service unless otherwise specified. Porcelain shades are warranted for up to two years. Light bulbs and items included in our Porcelain Enamel Dinnerware Collection are not included in the limited warranty.

At our discretion, we will repair or replace any product covered under our warranty limited to parts and labor at our factory. No charge backs allowed for return shipping fees or customer materials and labor that may be required for repair or replacement.

Please note that not all finishes are warranted for exterior use. In extreme conditions such as saltwater environments, acts of Mother Nature, etc. no other warranties are expressed or implied.

Most of our lighting is CSA Listed or made with UL/CSA components. Please refer to each product's description to confirm.

Wiring and installation must be performed by a licensed electrician only. Upon placing a purchase order, the customer acknowledges and agrees to seek the services of a licensed electrician to wire and install any product purchased from BLE. The customer further waives any claim against BLE for any damage or injury which occurs in the wiring or installation of any BLE product.
